PERFORMANCE! 2021-22

A Playbill for The Public Theatre and Maine Music Society

A close-up of a silver microphone with a red handle, positioned on the right side of the frame. The background is dark with out-of-focus orange and yellow lights, creating a bokeh effect. An orange decorative border with a repeating geometric pattern is at the top of the page.

Sit back, relax, and enjoy the show!

At Androscoggin, we understand and appreciate the joy performers bring to the people in our communities and are proud to support the arts.

The Public Theatre was founded to bring high quality professional theatre to the people of Maine, at an affordable price. We strive to make our presentations accessible to all, especially those less likely by tradition or inclination to attend live theatre. In choosing our season, we look for plays that speak from the heart; that are life-affirming and uplifting even when the subject matter is dark or painful; that use our language in powerful and provocative ways; that invite the audience to see their world in a new way. Artistic excellence is central to the mission of The Public Theatre.

The Public Theatre is a member of Theatre Communications Group (TCG), the national organization for the American theatre.

seated in the Theater. We are using
a system which transmits an FM
signal to a personal receiver outfitted
with lightweight headphones, or neck-
loop for hearing aids equipped with a
T-coil. Please inquire at the Box
Office for more information.
