

Take a trip with The Public Theatre!

Wicked, the Broadway sensation, looks at what happened in the Land of Oz...but from a different angle. Long before Dorothy arrives, there is another girl, born with emerald-green skin – smart, fiery, misunderstood, and possessing an extraordinary talent. When she meets a bubbly blonde who is exceptionally popular, their initial rivalry turns into the unlikeliest of friendships...until the world decides to call one “good,” and the other one “wicked.”
