## Cinderella

Set in the 18th century and featuring a dozen lavishly costumed 30" marionettes, this production of *Cinderella* is a Tanglewood Marionettes showpiece. The story unfolds as the pages of a giant book open to reveal beautifully painted settings –the village square, the kitchen, the magnificent ballroom– plus many more. Each marionette comes to life as it is manipulated with precision and grace by talented puppeteers.

All your favorite characters are here, and you know the story, but get ready for a few surprises!

Founded in 1993, Tanglewood Marionettes is a nationally touring marionette theater based in New England. Large, beautifully hand-crafted marionettes, colorful sets, and integrated lighting and sound create a fully immersive theatrical experience. Highly skilled puppeteers have spent many years perfecting their art, delighting audiences of all ages as they bring a repertoire of classic tales to life.
