## Dracula: A Comedy of Terrors Oct 11 - 27

by Gordon Greenberg & Steve Rosen

You'll scream with laughter at this hilarious Off-Broadway comedy that goes for the jocular! Packed with witty wordplay, pop culture references, and a nod to Mel Brooks and *Rocky Horror*, five actors sink their teeth into dozens of roles in this fast-paced, laugh-out-loud reimagining of this gothic classic perfect for audiences of all blood types. Get ready for fangtastic fun!

## Every Brilliant Thing Jan 24 - Feb 2

by Duncan Macmillan with Jonny Donahoe

You're six years old. Dad tells you mom's in the hospital because she "finds it hard to be happy", so you start writing her a list of all the brilliant things in life worth living for. No. 1: "Ice cream", No. 6: "Rollercoasters", No. 517: "The even numbered *Star Trek* films". The list grows longer as you grow older, helping you focus on the large and small miracles of life. Hilarious and heart-wrenching, this critically-acclaimed, life-affirming Off-Broadway hit, told with the help of the audience, is a unique theatrical experience you will never forget being a part of.

## Halfway There March 14 - 23 by Norm Foster

There's no such thing as a secret in Stewiacke, Nova Scotia – especially when four lovable ladies meet every day for coffee and a gab fest at the local diner. When a young doctor comes to town and takes an interest in the youngest of the women, he must undergo a grilling by her three middle-aged wise-cracking friends. Imagine *And Just Like That* meets *Steel Magnolias* in this delightful celebration of the unshakeable bonds of female friendship. Filled to the brim with humor and heart, it's the perfect "date night" or "girls' night out"!

## Now and Then May 2 - 11 by Sean Grennan

They say there are no "do-overs" in life, but if you could get one, would you take it? A young bartender and his girlfriend receive an intriguing proposition from a mysterious last-minute customer who offers them \$2,000 to sit and talk with him for an hour. What follows is a humorous and emotional time-warp full of unexpected life lessons, laughter and romance. Don't miss this inventive and heartfelt romantic comedy about following your dreams and the consequences of our choices.
